Discover the Secret

POULTRY BASES

The secret to creating many new and exciting dishes

...is right here in your hands

With a blend of the finest seasonings available and the tenderest, plumpest, boneless USDA approved poultry, **Major Products** has developed the most flavorful and aromatic base for poultry and fowl dishes you will ever need.

We here at **Major Products**, have taken the guess work out of Chicken and Turkey Soup Bases for your broths and stocks. By combining the finest ingredients, all you need to do is add water and you have the secret to the versatility and convenience your kitchen needs.

You have not only discovered the secret to versatility and convenience, but now your stocks and broths will have the consistency in flavor, aroma and texture that is most difficult to achieve from batch to batch. Another benefit of **Major Products Poultry Bases** is that your customers will applaud the rich flavors of your sauces and other dishes.

Use **Major Poultry Bases** in dishes such as *California Chicken Salad, Chicken A La King, Turkey Salad, Stuffed Turkey, Bread Stuffing, Fresh or Fozen Vegetable Noodles Dishes and many more.* But why limit yourself?

The only limitations you have are your creativity and imagination!
